“The Evangelical Counsels”

Father Bob is an animated, interesting, highly educated scholar. The Evangelical Counsels are the Bible advice of Jesus for living the Christian life: Gospel Poverty, Gospel Chastity and Gospel Obedience. In the course of Church history, some Christians took Jesus' advice so seriously that they turned these counsels into vows. Such consecrated women and men, called religious, live the counsels of Jesus to the max in very radical lifestyles.

But the advice of Jesus is addressed to the whole Church! It is advice that wants to help Christians manage their « stuff, » solidify their relationships, and live their lives attentive to God. This will be very interesting & relevant .
