# Care for the Caregiver & Hospice and Palliative Care

***Join us to learn about the rewards and challenges of providing care for a loved one and how to care for yourself in the process. Also, learn what hospice and palliative care is, when it is used and what makes Hospice of the Valley unique.***

## **Learning objectives:**

- Explain the various ways in which caring for older adults with long-term disease impacts the caregiver.
- Describe methods that caregivers can utilize to optimize their well-being.
- Define hospice and palliative care.
- Explain how palliative care can be given throughout a disease's progression at the same time as treatment.
- Describe services provided by hospice and palliative care.
